CONTENTS

Frequency Distributions of Preschool Survey Responses.

These charts and tables show the actual proportions of responses to each statement within the specific survey.

Note: Statements where the total number of responses is two or less have been suppressed for reasons of confidentiality and anonymity.

COPYING AND PASTING FROM THIS REPORT:

To paste sections of this report into your annual report, go to the EDIT menu in Acrobat Reader and select "Take a snapshot". You then click in the top left corner of the area you want to select and drag a selection box down and to the right to select the area you want. When you release the left mouse button the area is copied to your clipboard. You can then right-click in your Word document and select Paste.

Comments.

Comments given by parents have been reported as provided. Comments which identify names of children or contain inappropriate language have been removed where possible.

A review of comments needs to be undertaken by preschools prior to further distribution.

Blank graphs or sections indicate insufficient responses to protect anonymity. Consideration should also be given where low frequency responses occur when interpreting these estimates.

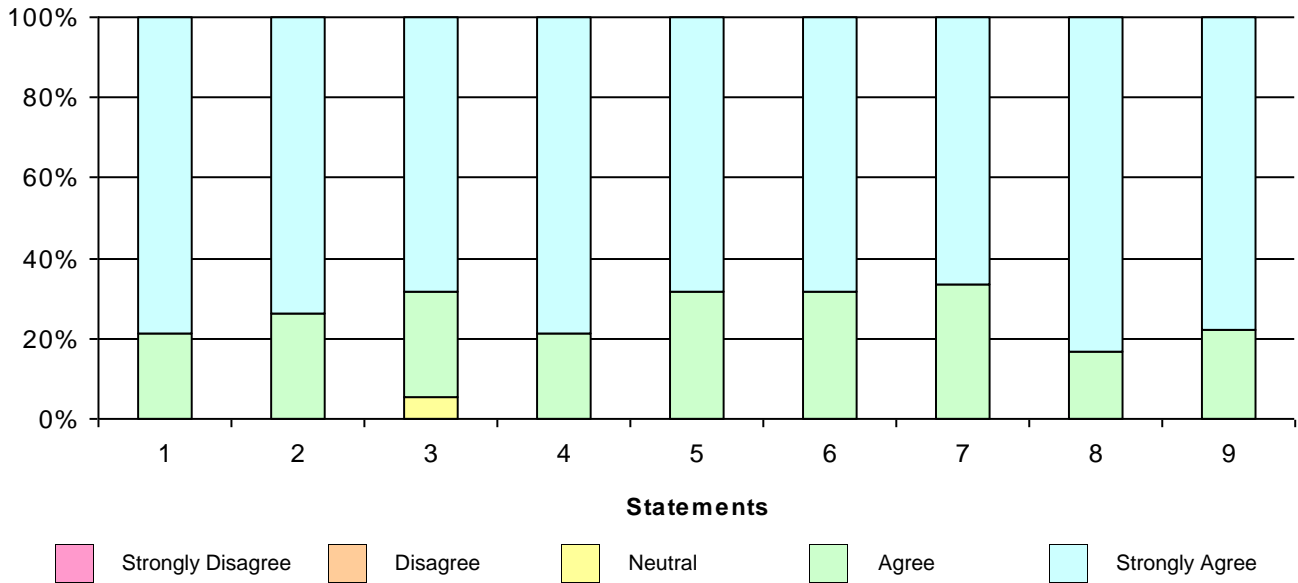

For more information please contact Educational Measurement and Analysis on 8226 3269.

44	Overall, I am satisfied with the preschool's planning.	0%	0%	0%	22%	78%	18

Parent Comments - Quality of Teaching and Learning

The staff are all very enthusiastic and dedicated to teaching the students. They understand what drives my child, which is not always obvious, and they've gone out of their way to keep her engaged in learning. She's not always cooperative with those efforts, but the staff haven't given up.

The teachers are passionate about their job. They adore the children and take time to talk to parents and handle the children's interruptions in conversation extremely well and gently mannered.

I love how we are so involved and the newsletters we get every month telling us what's happening and how we can help. We also really love their folders and the comments from the teachers.

Parent Comments - Support of Learning

My child is well supported to learn and develop

Pippi being a third child has developed independently at the school. She has really changed in a great way and this has helped a lot at home.

Teachers are so supportive and encouraging to him. Always looking at his strengths and helping him with his weaknesses. Dominic loves coming to kindy!

Parent Comments - Relationships and Communication

Pippi has been able to learn to communicate better which has helped her home life as there is less frustration. Pippi has learnt to be more compassionate towards others.

I feel such a strong connection to the teachers and they always let us know what's happened in the day/week and what's coming up.

Parent Comments - Leadership and Decision Making

Educational leadership is fantastic, and accommodates the interests and needs of the children.

Although I haven't been able to attend monthly meetings, I have been offered the opportunity and kept in the loop via email.

Parent Comments - Other comments

We love the school, friendly environment letting children be themselves while gently guiding them on how to better develop themselves in today's society for their future.

Dominic was a bit late starting kindy (our fault) and it was such an easy transition leaving him there. The teachers and parents are so lovely and made it so easy for us to trust Dom with them.

Very happy with the whole system. My daughter loves it here.

I am notified every day I pick my child up about how he went that day. I always see happy smiling faces when I am there. My son fills me in every day on all the things he has learnt. He is an extremely happy child, especially on his kindy days. He loves kindy and I believe he is in great hands.

The Kindy provides a friendly and encouraging atmosphere.
